1.0   DESCRIPTION:

This document provides the requirements for manufacture and inspection of a printed label that is part of a larger assembly.

2.0   VENDOR:

Celestica shall print serial number labels onto purchased label stock.

3.0   REQUIREMENTS FOR VENDOR:

| Characteristic	Specification**
Visual	Printed label shall be free of voids in the printing. See image below for print layout
Dimensions	0.65"X 0.20"
Mechanical Properties	NA
Material Composition	Label Stock: TTL136.433-10 (Label, TT433 0.65"X0.20", 1-UP) IDENTCO – Polyimide Label Stock
Other Physical Properties	• Serial number shall be a leading zero-padded nine (9) decimal digit number • There shall be a barcode that represents the serial number. Code128 format at 600dpi. • There shall be an FCC number "FCC ID: X7901750" • The serial number range will AVOID the following numbers. The serial number shall not be in the following range as it is reserved for other products: o 268435456 to 285212671
Electrical Properties	NA
Shelf life/Expiration	NA
Packaging Requirements	NA
Labeling Requirements	NA
BSE/TSE Free Statement	NA

4.0 **INCOMING INSPECTION/TEST REQUIREMENTS (OR PLEASE INDICATE IF DOCK-TO STOCK).** Note: Serial number label shall be part of an assembly and shall not be received individually.

Inspect/Test every lot for the following:

Characteristic	Specification**
Part Number and Rev Verification	NA
Visual	NA
Dimensions	NA
Material Composition	NA
Mechanical Properties	NA
Other Physical Properties	NA
Chemical Properties	NA
Electrical Properties	NA
Shelf life/Expiration	NA
Packaging Requirements	NA
Labeling Requirements	NA
BSE/TSE Free Requirement	NA
Certificate of Analysis/Compliance	NA

** Put NA if not required. Do NOT delete a characteristic.

5.0 **Label Print Layout:**

Internal two digit code for Celestica manufacturing use

Barcode Encoded with Serial number

Serial Number

FCC ID Number "FCC ID: X7901750"

Note: Box around FCC ID is not part of actual label

REVISION HISTORY				
Rev	**DCO No.**	**Release Date**	**Description of Change**	**Originator**
1	EtQ	05Oct2012	Initial Release	T. Schoenberger
2	EtQ	07Dec 2012	Clarify serial number description, barcode type and dpi. Indicate serial number range to be avoided	T. Schoenberger
3	EtQ	22Apr2013	Add "FCC ID X7901750"	T. Schoenberger
4	EtQ	15May2013	Add a ":" between "ID" and "X"	T. Schoenberger
